Hi Renee

Are you saying 4640 Vermont Place was cleaned on March 12?
I don't remember that. Unless it was done during CD4 cleanup, but
This location is not necessarily very close to our border.
Was that the case?

Also, can we get it reauthorized?

Also there's no 4640 N Vermont Ave on the map.
There is a 4640 Vermont Place and that is near the Vermont Ave intersection
And is parallel to Lexington, one block south of it.

Hi Renee

I just noticed that there is a mistake with 701 Vermont. 701 Vermont @ 7th Street should be south Vermont, not north and that's outside of our district. That makes sense because we don't have encampments at 701 N Vermont.

Same goes for 776 Vermont @ 8th Street. Should be south and outside CD13.

The correct ones are 700 N Vermont @ Marathon and 760 N Vermont @ Monroe. But these 2 are essentially 1 very long row of encampments.

You also mentioned 3445 John St has expired. Does that mean we won't be able to get to that on Tuesday? If so, then we will most likely have enough time for 300 N Juanita, I think.

Can you advise on all of these points?

Thank you!

Can you send again the list of locations that will be cleaned on Tuesday. Please exclude 701 and 776 Vermont because it makes it appear that there are 4 separate locations when in reality it's only one and those 2 are not even in our district.

I need to have this list so I can send it over to LAPD today.

Thanks Renee

Yes because Vermont by 7th and 8th street are far outside our district. The 700 block of North Vermont is between marathon ave and Monroe ave. want to make sure crews don't go out to 8th street :)
